The team behind *A Vow To A Kill* and *A Shot In The Saddle* are kicking off 2019 with *more murderous mayhem* as they introduce a brand new circus-themed Murder Mystery Treasure Hunt around Reading! ***A Circus of Screams*** is a 3 hour, immersive Murder Mystery Treasure Hunt that challenges the public to roll up and race round Reading to hunt down hidden evidence and catch a circus killer as they crack the bizarre and twisted case of #WhoKilledChuckDagger – all against the clock!

The game centres around the murder of famed daredevil knife thrower, Chuck Dagger, who had rolled into Reading as the new headline act for The Circus of Dreams - but last night he was found face down in the sawdust of The Big Top, with a dagger in his back. The Circus of Dreams has become ***A Circus of Screams*** - and there's a killer on the loose. The clowns at Scotland Yard don't stand a chance.

The whole town becomes the set for this real-life whodunnit, which fuses live-action, escape-room style puzzles, a scavenger hunt and actors with a murder mystery, as players must crack cryptic clues using their smartphones, converse with suspicious characters and find vital evidence hidden around the town, in partnership with local businesses and iconic Reading locations - before the time runs out.

Detectives are encouraged to gather a big-top troupe of super sleuths and roll up to discover just #WhoKilledChuckDagger at the gravest show on earth! ***A Circus of Screams*** runs at 12pm and 3pm on **Sat 16th Feb, Sat 23rd Feb & Sat 2nd March**. Book tickets for just £20 from www.acircusofscreams.com.
